- Pv9 Residence

SKILLS

Programming:

- Java
- C/C#/C++
- Python
- SQL
- HTML
- CSS
- Dart
- JavaScript
- Solidity

Database Management: Tools & Platforms:

- MySQL
- Firestore
- SQLite
- SQL Workbench
- Git/GitHub
- Visual Studio Code
- Android Studio
- Figma

Other Skills:

- Software Design (UML, Z Notation)
- Agile/Scrum concepts
- Problem-Solving

LANGUAGE

Spoken

- English (Able To Speak)
- Chinese (Fluent)
- Malay (Able To Speak)
- Hokkien (Able To Speak)

Writing

- English (Fluent)
- Chinese (Fluent)
- Malay (Able To Write)

PROFILE

A motivated second-year Software Engineering student at TAR UMT, eager to contribute as an intern at Infinity Data Tech Sdn. Bhd.. Strong foundation in backend development, Java programming, and database management, with hands-on experience in object-oriented programming, REST API design, and data structures & algorithms. Passionate about building scalable microservices, APIs, and data-driven solutions, while continuously learning frameworks such as Spring Boot, RDBMS, and Git-based CI/CD pipelines. Known for strong problem-solving skills, adaptability, and teamwork, with the ability to work effectively both independently and in collaborative environments.

Expected Salary: RM700 - RM1400 per month.

EDUCATION

- 2023 - Present** **Tunku Abdul Rahman University of Management and Technology (TAR UMT)**
Bachelor of Software Engineering (Honours)
Course: Computer Systems & Organization, Mathematics for Computing, Discrete Mathematics, Database Fundamentals, Web Design & Development, Problem-Solving & Algorithmic Thinking, Communication Skills
Current CGPA: 3.4370 / 4.0
- 2022 - 2023** **Tunku Abdul Rahman University of Management and Technology (TAR UMT)**
Foundation in Computing (Track B)
Course: Object-Oriented Programming, Data Structures & Algorithms, Database Systems, Web Development, Software Requirements Engineering, System Design.

EXPERIENCE

- Pin Tea Malaysia Muar SDN. BHD. MUAR, JOHOR** **Oct 2023 - Jan 2024**
 - Supported daily business operations, including order handling, stock management, and customer service.
 - Maintained accurate records and digital documentation, ensuring smooth workflow and operational efficiency.
 - Strengthened interpersonal and teamwork skills through collaboration with colleagues in a fast-paced retail/food service environment.
 - Demonstrated adaptability and time management while balancing work responsibilities with academic commitments.
- A & N MUAR PRECISION ENGINEERING SDN. BHD. MUAR, JOHOR** **Feb 2022 - Sep 2022**
 - Gained exposure to manufacturing and engineering workflows, improving understanding of real-world industrial processes.
 - Collaborated with team members to analyze operational problems and propose improvements, strengthening problem-solving and communication skills.
 - Developed discipline, adaptability, and teamwork skills in a fast-paced engineering environment.
